

## DECLARATION

**Processing Time:** VFS Global staff has informed me that the processing time for my visa application at the Consulate General of Hungary is 15 (fifteen) calendar days. The actual time left to my intended travel is less than 15 calendar days, but still I want to go ahead and submit my application at VFS Global.

**Missing or inadequate documents:** VFS Global staff has informed me that the following documents which are mandatory for processing of my visa application at the Consulate General of Hungary are missing from my file or inadequate.<sup>1</sup> However, I go for submitting my visa application and take full responsibility for my failing to comply with the visa procedural rules of the Consulate General of Hungary. I am aware of the fact that this incomplete or inadequate file will be the sole basis of the Consulate General of Hungary's decision on my visa application. It may refuse my visa application without verifying its merit, requesting additional documents or calling me for an interview.
